Desert Ridge Little League

The mission of Little League Baseball is “to promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball.

Through proper guidance and exemplary leadership, the Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. By supporting the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior citizens rather than superior athletes.

In baseball, a player will eventually strike out or is on a losing team, but there is always another chance in the next at-bat or in the next game. This helps build patience and character.
